

# Share a Book

[www.BookDriveForKids.com](http://www.BookDriveForKids.com)

Celebrate World Book Day by joining the Share-A-Book campaign with Book Drive for Kids!

In the DFW area, over 630,000 economically disadvantaged children have few, if any, books in their homes. When you “Share A Book with Book Drive for Kids”, we will share the books with children who love reading but have limited access to them. Don’t have any children’s books? Your \$3 donation will place a NEW book in a needy child’s hand. Together we can build a culture of literacy!
