

On Thursday, September 19, 2024, Book Drive for Kids is participating in Communities Foundation of Texas' North Texas Giving Day, an online giving extravaganza for our whole region.

During the entire month of September prior to North Texas Giving Day, you can make your gift early through Early Giving! The platform makes it simple and easy to give! All funds go directly to Book Drive for Kids because the platform is covering all transaction fees.

Between now and September 18, you can make your gift online at [North Texas Giving Day, Book Drive for Kids](#). After you make your gift, encourage your friends, family, and colleagues to be a Giving Hero like you!

Tag [Book Drive for Kids](#) and use the #NorthTexasGivingDay2024 hashtag to join in the excitement online!

Save the Date for September 19, when you can follow along by checking the North Texas Giving Day leaderboards, prizes page, and social media channels for exciting updates and announcements.

Thanks for your support of [Book Drive for Kids](#) and for being a part of the North Texas Giving Day movement!

Sincerely,

*Michelle Cook*
